

REMOTE AUSTRALIA ONLINE

Remote Australia is a vast and complex area that presents many challenges and opportunities. It is an area of Australia is that often misunderstood and misinterpreted.

Remote Australia Online www.nintione.com.au/resources/search is a resource of evidence-based information collated with the aim to address this imbalance. Data about remote Australia is also represented in a graphical form through our Remote Australia Online Atlas, incorporated within this resource.

NINTI INNOVATION
ONE FOR REMOTE
AUSTRALIA

www.nintione.com.au

Ninti One has over a decade of experience in the business of remote Australian knowledge creation and translation and has created an online platform as a central resource that delivers authoritative, comprehensive and current knowledge on topics that impact remote Australia and those who live and operate there.
